

TTC and YRT/Viva Service Improvements

TTC and YRT/Viva partnership offers customers additional service options between Downsview Station and York University

Effective August 22, 2010, ride Viva orange between Downsview Station and York University with your TTC pass or transfer.

How it works:

- > Use your valid TTC pass (Day, GTA, Weekly or Monthly Metropass), valid TTC transfer or valid YRT/Viva fare media.
- > Viva orange northbound: Board at Downsview Station or Keele-Finch for travel as far north as York University.
- > Viva orange southbound: Board at York University or Keele-Finch.
- > TTC route 196 York University Rocket will continue to operate every two to 15 minutes. Viva orange will continue to operate every 10 to 15 minutes.
- > Viva buses will continue to drop off customers at Downsview Station outside the fare-paid area. A valid TTC fare will still be required to enter Downsview Station.

Proof-of-Payment required on Viva:

- > Viva orange is a proof-of-payment service. Valid YRT/Viva fare media, a valid TTC pass or valid TTC transfer is required for use of the service between Downsview Station and York University, and must be presented upon the request of YRT/Viva Enforcement staff or you may be subject to a warning, fine or criminal charge.

Restrictions:

- > YRT/Viva fare media is not valid for entry into TTC subway stations or TTC buses, except those operating in York Region.
- > TTC fare media is only valid on Viva orange between Downsview Station and York University.
